At our Summer Program we offer a variety of activities such as creative arts, music, gardening, cognitive games, science and discovery projects and lots of outdoor and indoor play.

We have a nature garden, where your child can prune the apple trees, tend the strawberry patch, water the plants in the butterfly garden and play in the sandbox.

Your child will receive French lessons, yoga and music every day.

We have a gym, which is ideal for those days when the weather is unsuitable. The children can enjoy our full range of gym equipment, such as balance beams, tumble mats, balls, ropes, hula hoops, etc. We also organize team sports in the gym, such as basketball and soccer.

There are walking field trips to Exhibition park, City Hall wading pool, Guelph Public Library, Goldie Mill Park and Guelph Civic Museum.

We incorporate academics into our program activities in a relaxed, child friendly manner.

Our staff are trained Montessori teachers and early childhood educators with many years of experience.

Our Summer Program is very popular and fills up quickly so contact us soon.

PLEASE NOTE: Children must be reliably toilet trained in order to attend our Summer Program.
