At our Summer Program we offer a variety of activities such as creative arts, music, gardening, cognitive games, science and discovery projects and lots of outdoor and indoor play.

GUELPH OUTDOOR SCHOOL

We are collaborating with the Guelph Outdoor School and once a week a naturalist from GOS will take the children out to explore naturalized areas around the school. The children will be shown how to identify native plants, flowers and trees. We will also actively develop a love of nature and their environment.

At the school, we have a nature garden, where your child can prune the apple trees, tend the strawberry patch, water the plants in the butterfly garden and play in the sandbox.

We have a gym, which is ideal for those days when the weather is unsuitable for going outside. The children can enjoy our full range of gym equipment, such as balance beams, tumble mats, balls, ropes, hula hoops, etc.

There are walking field trips to Exhibition park, City Hall wading pool, Guelph Public Library, Goldie Mill Park and Guelph Civic Museum.

We incorporate academics into our program activities in a relaxed, child friendly manner.

Our staff are trained Montessori teachers and early childhood educators with many years of experience.

PLEASE NOTE: Children must be reliably toilet trained in order to attend our Summer Program.
