

Montessori School of Wellington 2022/2023 Information

We offer the Montessori Toddler program for children 18 to 30 months and the Montessori Casa program, for children 2 1/2 to 6 years of age. Eligibility for the Casa program depends on toilet training. Listed below are the required stages of toilet training for eligibility in our programs:

1. Out of diapers, uses adult sized toilet independently, rarely has any accidents, does not need adult support - required for enrolment in our half day program
2. Complete toilet independence without reminders, accidents or adult support - required for enrolment in our full day program

For our Casa Program, as well as being toilet trained, children should be able to feed themselves, drink from a regular cup and have a developing ability to dress and undress themselves.

There is no toilet training requirement for enrolment in our toddler program.

We are a CCMA accredited school and our children all attend 5 days a week.

Families must visit our school with their child prior to enrolment.

We'd like to respectfully ask you to bear in mind that our Montessori program is not a preparation for "school," it's a preparation for life. In order for a child to fully reap the benefits of a Montessori education s/he should ideally attend for the toddler program and then 3 three years in the Casa program. Then, if you choose to go the Public School route, your little one can enter in Grade 1. We'd be happy to expand on this when we meet.

Montessori School of Wellington 2022/2023 Fee Schedule
